

# Red, White & Blue Day - Friday 5th October 2018

3 charities, 3 colours, 1 cause... £1

Red White and Blue Day, which took place on the 5th October, was a great success. Below are a few images we have been sent. The thank you card was given to Lieutenant Colonel Barney Barnbrook of the Soldiers' Charity by Evergreen Primary School in Bishop Auckland, after he has spent the day at their school supporting their RWB activities. The pebbles are just some of the many entries we have received to date for the pebble competition which closes the 12th November 2018.
