

2014 Bookmark Competition

Thank you to all who took part in our 2014 Bookmark competition.

The winning three bookmarks were sent to Christine at Ditsy Doodles to be transformed into hand-sewn bookmarks.

Christine posted on her blog - "The quality of the drawings and the emotion displayed is fantastic. The use of silhouettes is very effective as is the bold black outline approach". Images and videos of how the bookmarks were made are available on Christine's Blog - Sewing in the Cotswolds.
